1964-1969			<p>In 1946 the Feoffees were granted permission to sell land to the rear of the Thatched House public house, and draft contracts of sale to Tamplins Brewery were drawn up in 1946/47, describing it as the site of 1-6 Union Place, two air raid shelters and a small workshop. The land remained as part of the Thatched House until it ceased trading in 1969, and plans were drawn up for the pub to be demolished and a terrace of six Regency-style houses built on the site.</p>
